These proposed new regulations in general are mandated by the U. S. Environmental Protection Agency as a prerequisite to awarding the capitalization grants to Kansas as appropriated by Congress and are needed to implement the Kansas Water Pollution Control Act of 1988 (SB 472). The federal Construction Grant Program is being phased out. A substitute for financing the capitalization grant program may be implemented by the states as revolving loan programs for constructing water pollution control facilities. Up to 4 percent of the federal capitalization grant awarded to Kansas may be used by the Kansas Department of Health and Environment to operate the program. The authorization within the 1987 amendments of the Federal Clean Water Act includes \$74.33 million capitalization grants for Kansas in federal fiscal years 1989 through 1994. These capitalization grants with the required 20 percent state match will be the basis for a low interest perpetual \$10-\$15 million annual revolving loan fund to aid the planning, design and construction of water pollution control facilities. EPA's regulations and the federal law set out significant limitations on how the fund can be used. However, these annual loan amounts will be a significant financial help to Kansas communities.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed amended rules and regulations. All interested parties may submit such comments prior to the hearing to Robert Nicholson, Bureau of Water Protection, Kansas Department of Health and Environment, Forbes Field, Bldg. 740, Topeka 66620. All interested parties will also be given a reasonable opportunity at the hearing to present their views, orally or in writing, concerning the adoption of the proposed program. In order to give all persons an opportunity to present their views, it may be necessary to limit oral presentations to five minutes.

Following the hearing, all written and oral comments submitted by interested parties will be considered as the basis for making changes in these proposed documents.

NOTICE CONCERNING KANSAS WATER POLLUTION CONTROL PERMIT

In accordance with state regulations 28-16-57 through 28-16-63 and 28-18-1 through 28-18-4, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, a tentative permit has been prepared for the water pollution abatement facilities for the feedlot described below. The tentative determinations for permit content are based on preliminary staff review, applying the appropriate standards and regulations of the state of Kansas and the EPA. The permit requires control of any existing or potential discharges to achieve the goal of "no discharge" whenever possible. The permit upon issuance will constitute a state water pollution control and national pollutant discharge elimination system permit.

Collaborative proposals from schools and cultural organizations or institutions of higher learning are acceptable. All applications must be received before March 1.

(hereinafter called the paying agent), upon the presentation and surrender of the bonds for payment and cancellation at the paying agent's principal office in the city and state of New York. Interest on the bonds shall be payable in lawful money of the United States of America by the mailing of check or draft of the paying agent to the registered owners of the bonds as their names appear as of the 15th day of the month next preceding the respective interest payment dates on the registration books which will be maintained by the paying agent.

The fees of the paying agent for the registration, transfer, exchange, payment and redemption, if any, of the bonds shall be paid by the city, and the city shall also pay for the printing of a reasonable supply of blank registered bond certificates for such purpose. Any additional costs or fees that might be incurred in the secondary market, except the paying agent's said fees, shall be the responsibility of the registered owners of the bonds.

Redemption of Bonds

All of the Series 718 Bonds maturing in the years 1990 through 1995, inclusive, and all of the Series 719 Bonds maturing in the years 1989 through 1993, inclusive, shall become due on their stated maturity dates without the option of prior payment. At the option of the city, the Series 718 Bonds maturing September 1, 1996, and thereafter, may be called for redemption and payment prior to their respective maturities on and after September 1, 1995, and the Series 719 Bonds maturing December 1, 1994, and thereafter, may be called for redemption and payment prior to their respective maturities on and after December 1, 1993. Bonds called for redemption and payment may be called in whole at any time or in part on any interest payment date from and after the first date authorized for redemption as aforesaid. Bonds called for redemption and payment as aforesaid shall be redeemed at a price (expressed as a percentage of the principal amount) as follows, plus accrued interest to the date established for such redemption and payment:

Redemption Dates	Redemption Prices
In the Years 1993 and 1994	100.50%
In the Years 1995 and Thereafter	100.00%

If less than all of a series of bonds is called for redemption on a specified date, the method of selection of the bonds to be so called shall be designated by the city in such equitable manner as it may determine. If the city elects to call for redemption less than all of the bonds of a series at the time outstanding, it shall, in the case of bonds registered in denominations greater than \$5,000, treat each \$5,000 of face value of a bond so registered as though it were a separate bond in the denomination of \$5,000.

Written notice of any call for redemption and payment of the bonds shall be given to the registered owners of the bonds by United States registered or certified mail not less than 30 days prior to the date established for such redemption and payment. Prior to any date established for redemption and payment, the city shall deposit with the paying agent sufficient funds to pay the bonds so called for redemption and payment at the redemption price set forth above and all unpaid and accrued interest thereon to the date of such redemption and payment.

(continued)

Upon the deposit of said funds, and the giving of notice of such redemption and payment as aforesaid, bonds thus called for redemption shall cease to bear interest from and after the date of their redemption and payment.

Conditions of Bidding

Proposals shall be received on each of the series of bonds bearing such rate or rates of interest as may be specified by the bidder, subject to the conditions of this paragraph. The same rate of interest shall apply to all bonds of a series having the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being equal to the index of treasury bonds set forth in Muniweek as published in New York, New York, on January 30, 1989, plus 2 percent. The difference between the highest and the lowest interest rate specified for a series shall not exceed 3 percent. No bid for less than the entire par value of a series plus accrued interest thereon from the dated date to the date of delivery shall be considered, and no supplemental interest payments shall be authorized. Each bid must state: (a) the total interest cost to the city during the life of the bonds on the basis of the bid; (b) the premium, if any, offered by the bidder; (c) the net interest cost to the city on the basis of the bid; and (d) the average annual interest rate to the city on the basis of the bid. Each bid shall be certified by the bidder to be correct, and the governing body shall be entitled to rely on such certificate of correctness.

Form and Submission of Bid; Good Faith Deposit

Bids shall be submitted only on the respective official bid forms that have been prepared for these series of bonds, which may be obtained from the city's director of finance/city clerk. No additions or alterations shall be made to an official bid form, and any erasures may cause rejection of the bid. Bids shall be submitted in sealed envelopes, plainly marked "Bid for General Obligation Bonds, Series 718 or Series 719," and shall be addressed to the governing body of the city of Wichita, City Hall, 455 N. Main, Wichita, KS 67202-1679, Attention: John Moir, Director of Finance/City Clerk. Bids may be submitted by mail or may be delivered in person and must be received at the place and no later than the date and time hereinbefore specified. Any bid received after 10 a.m. C.S.T. on January 31, 1989, shall be returned to the bidder unopened.

Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check drawn on a bank located within the United States and made payable to the order of the city, and shall be in an amount equal to 2 percent of the principal amount of the series of bonds for which the bid is made. If a bid is accepted, such good faith deposit shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice and of the bid. In the event a bidder whose bid is accepted shall default in the performance of any of the terms and conditions of this notice or of the bid, said bidder's good faith deposit shall be retained by the city as and for liquidated damages. If a bid is accepted, but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions hereof, said good faith deposit shall be returned to the bidder. No

interest shall be paid upon the successful bidder's good faith deposit. The good faith deposit checks of the unsuccessful bidders shall be promptly returned.

Awarding of Bonds

Each series of bonds shall be sold separately, and each series of bonds shall be awarded to a bidder whose proposal results in the lowest net interest cost to the city, which shall be determined by deducting the amount of premium offered, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified in a bid, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more identical bids for the lowest net interest cost are received for a series of bonds, the governing body shall determine which bid, if any, shall be accepted, and such determination shall be final. The governing body reserves the right to reject any and all bids and to waive any irregularities in any submitted official bid form.

Bond Rating

The city's outstanding general obligation bonds issued since 1975 have been rated "Aa" by Moody's Investors Service, Inc. and "AA" by Standard & Poor's Corporation. The city has applied to both of said rating services for ratings on each of the series of bonds described herein.

CUSIP Identification Numbers

The CUSIP Service Bureau will be requested to assign CUSIP identification numbers to each of the series of bonds, and it is expected that such numbers shall be printed on the bonds; however, neither the failure to assign any such number to or print any such number on any bond, nor any error with respect thereto, shall constitute cause for the failure or refusal by the successful bidder to accept delivery of and to make payment for the bonds in accordance with the terms of this notice and of the bid. All expenses in relation to the printing of the CUSIP numbers and the expenses of the CUSIP Service Bureau for the assignment thereof shall be the responsibility of and shall be paid for by the city.

Initial Registration

Initial registration information for each series of bonds shall be submitted in writing to the paying agent by the successful bidder not later than Thursday, February 9, 1989. In the event such information is not so furnished, the bonds shall be delivered one bond per maturity registered in the name of the successful bidder (or in the name of the manager if a bidding syndicate). The initial registration information shall include the names, addresses and Social Security or taxpayer identification numbers of the initial registered owners of the bonds and the denominations in which the bonds are to be initially issued.

An original purchaser's certificate stating that at least 10 percent of the bonds of each maturity have been sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at initial reoffering prices to the public as shall be provided by the original purchaser shall be furnished by bond counsel to the successful bidder. Such certificate must be completed and returned by at least the date of delivery of the bonds.

Delivery of and Payment for Bonds

Each series of bonds, duly printed, executed and registered, shall be furnished and delivered at the expense of the city to the successful bidder thereon on or about Thursday, February 16, 1989, at such bank or trust company in the state of Kansas or any of the following Federal Reserve cities: Boston, New York City, Cleveland, Richmond, Atlanta, Chicago, St. Louis, Minneapolis, Kansas City, Dallas or San Francisco, as may be specified by the successful bidder. Delivery elsewhere shall be made at the expense of the successful bidder. The successful bidder shall be furnished with a certified transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which shall include a certificate that there is no litigation pending or threatened at the time of the delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds immediately available for use by the city.

Official Statement

The city has prepared an official statement dated January 31, 1989, relating to the bonds, copies of which may be obtained from the director of finance/city clerk. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the official statement, without additional cost, upon request. Copies of the official statement in excess of a reasonable number may be ordered at the successful bidder's expense. Authorization is hereby given to redistribute this notice of bond sale and the official statement, but this entire notice of bond sale and the entire official statement, and not portions thereof, must be redistributed.

Figures through December 31, 1987, as used in this notice of bond sale and in the official statement, have been obtained from the "City of Wichita, Kansas, Annual Financial Report for 1987," which report has been audited by an independent firm of certified public accountants appointed by the city's governing body.

Authority, Purpose and Security for Bonds

The bonds shall be issued under the authority of the constitution and laws of the state of Kansas, including K.S.A. 10-101 et seq., as amended and supplemented, and each series of bonds shall be authorized by a bond ordinance which shall be adopted by the governing body after the awarding of the bonds.

The proceeds of the Series 718 Bonds shall be used, together with special assessments which have been collected in cash and other available funds, and the proceeds of the Series 719 Bonds shall be used, together with other available funds, for the purpose of permanently financing the costs of constructing various internal improvements in the city.

The Series 718 Bonds and the interest thereon shall constitute general obligations of the city, and shall be payable as to both principal of and the interest thereon, in part, from the collection of special assessment taxes which have been levied against certain properties in the city, and the remainder of said principal and interest, and any part of the specially assessed portion not so paid, shall be paid from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the

taxable tangible property within the territorial limits of the city. The Series 719 Bonds and the interest thereon shall constitute general obligations of the city, and shall be payable as to both the principal of and the interest thereon from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city.

Legal Opinion and Tax Exemption

All matters relating to the authorization and issuance of the bonds are subject to the approving opinion of Hinkle, Eberhart & Elkouri, bond counsel, Wichita, Kansas. Bond counsel's opinion shall be printed on the bonds and a manually signed original opinion shall be furnished without expense to the successful bidder concurrently with delivery of the bonds. All fees and expenses of bond counsel shall be paid by the city. Certain legal matters shall be passed upon for the city by Thomas R. Powell,

city attorney and director of law.

In the opinion of bond counsel, assuming continued compliance by the city with the particular terms of the respective bond ordinances, under existing law, the interest on the bonds: (i) is excludable from gross income for federal income tax purposes, and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion mentioned in the preceding clause (i) is subject to compliance by the city with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to issuance of the bonds in order for the interest thereon to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of delivery of the bonds. The city will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships, and the interest on the bonds is excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Related Federal Tax Matters

Prospective bidders for purchase of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the bonds or, in the case of a financial institution within the meaning of Section 265(b)(5) of the code, that portion of a bondholder's interest expense allocable to the interest on the bonds; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds;

(continued

(iii) for taxable years beginning after December 31, 1986, and prior to January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, the interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including the interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if more than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. The foregoing categories of prospective bondowners should consult their own tax advisors as to the applicability of any of these consequences.

Assessed Valuation

The 1988 assessed valuation of taxable tangible property in the city is \$1,071,284,622.

Bonded Indebtedness; Pending Indebtedness

The total outstanding general obligation bonded indebtedness of the city, upon the issuance of and including the series of bonds described herein and the pending issue of temporary notes hereafter mentioned, will be \$284,495,000. This amount does not include the city's currently outstanding temporary notes, which will be redeemed and paid upon the issuance of the bonds either from the proceeds thereof together with special assessments which have been collected in cash and other available funds, or from the proceeds of the said pending issue of temporary notes.

The city expects to sell on or about the same date as the bonds described herein \$14,200,000 principal amount of its temporary notes. With the exception of said temporary notes, however, neither the city, nor Sedgwick County, Kansas, nor Unified School District 259 (the Wichita public school system) presently contemplates the issuance of any additional general obligation indebtedness within the next 30 days.

Additional Information

Additional information regarding the bonds may be obtained from John Moir, Director of Finance/City Clerk, 13th Floor, City Hall, 455 N. Main, Wichita, KS 67202-1679, (316) 268-4434.

By order of the governing body of the city of Wichita, Kansas, as of the 20th day of December, 1988.
